

Deutsche Hospitality grows in Switzerland

IntercityHotel Geneva welcomes first guests

Frankfurt am Main, 17 October 2023

Bienvenue à Genève: The new IntercityHotel in Geneva is urban and modern, a well-connected, vibrant hub for meeting, working, eating, and just experiencing. On the pulse of the city, always "on the move": This is IntercityHotel. It is Deutsche Hospitality's first hotel in French-speaking Switzerland.

With 270 rooms, a conference area with five meeting rooms as well as a restaurant and a bar, the IntercityHotel is a social hub and smart place of retreat at the same time. Switching off from everyday life is easy in the wellness and fitness area with sauna and steam bath. Flexibility and mobility take center stage: Travelers can reach the city center, the airport and Palexpo International Exhibition and Congress Center quickly and easily by bus, tram, and car.

Travelers will benefit from an opening special with bed, breakfast and late check-out subject to availability for 149 Swiss francs per night (approx. EUR 156) for reservations made up until 22 November 2023. For additional information and to make a reservation please visit www.hrewards.com.

As Josef Dolp, Chief Operating Officer and Guest Experience Officer at Deutsche Hospitality, puts it: "We are delighted to be opening IntercityHotel Geneva - cosmopolitan and locally rooted at the same time. It is our first hotel in French-speaking Switzerland, with more to follow soon. Switzerland is a key market and Geneva a top location for us to continue the growth of the IntercityHotel brand: It is dynamic and energetic."

According to Arjun A. Fornerod, Managing Director at GoodNight Partners SA, the owner's representative: "We are glad to welcome Deutsche Hospitality in Geneva and we are certain the IntercityHotel Geneva is offering the right product for both business travelers and leisure guests. It is fulfilling a missing positioning gap in the hotel capacity of the market. We believe that the values of the brand fit perfectly in this first-of-its-kind hospitality hub developed in the heart of *Evolution+ Quartier de l'Étang*, a vibrant new city within the city."
